MESSAGE FROM THE BOARD PRESIDENT

Dignity Defenders,

This year found Think Dignity fighting on the front lines for our neighbors experiencing homeless, from the streets to the courthouse steps. We are proud to serve as a beacon of hope for San Diego's growing displaced population.

With your generosity, our programs reached new milestones in helping more folks than ever before "feel like a human being again." Our Staff Attorneys and legal interns tirelessly advocated for the decriminalization of homelessness. Among their many success stories, their efforts facilitated a federal injunction protecting folks lawfully living in their own vehicles from criminal prosecution. Our fight is far from over. However, we celebrate each success as a step toward our vision of social justice.

Think Dignity was founded and continues to operate on the premise that each person deserves basic human dignity. As long as there is a need, we will continue working with and for the people society has left behind.

Thank you for your continued support and compassion for our unhoused neighbors. We could not do the work we do without you.

In Solidarity,

Nicole Conge, Esq.
